Panaji, 21st December, 1995.

Following the recommendations of the Third Cen-
tral Pay Commission that all Government Servants
should be provided insurance cover at low cost, the
Government of India introduced an Insurance Schem-
e known as the Central Government Employee's
Insurance Scheme, 1977. The scheme came into effect
from the 1st July 1977 for Central Government
Employees and was further extended to the employ-
ees of the Union Territory Governments/Adminis-
trations (except Chandigarh) with effect from the 1st
January 1979. The Central Government Employees
Insurance Scheme was replaced by the Central Go-
vernment Employee's Group Insurance Scheme 1980
for Central Government Employees and by the
Union Territory Employees Group Insurance Scheme
1984 in respect of Employees of Union Territory.

2. After the formation of the State of Goa on
30th May 1987, the Central Government Employees
Insurance Scheme, 1977, and the Union Territory
Employee's Group Insurance Scheme, 1984 were fol-
lowed pending formulation of a separate scheme for
the employees of the State of Goa. From 1st Janu-
ary 1990 the Government of India enhanced the
insurance cover to all Central Government employees
to one and half times with corresponding increase
in monthly contributions. The enhanced insurance
cover was not, however, extended to the Union Ter-
ritory Employees Group Insurance Scheme, 1984.

3. The question of providing the enhanced insu-
rance cover to the employees of the Government of
Goa was under the consideration of Government
and a scheme was prepared and referred to the Go-
vernment of India for obtaining approval under Sec-
tion 44(f) of the Life Insurance Corporation Act
1956. After examination of the scheme by an ac-
credited actuary, the Government of India has ac-
corded approval to the operation of the new scheme
with effect from the 1st January 1996 and discon-
tinuance of the operation of the Central Government
Employees Insurance Scheme 1977 and the Union

Territory Employees Group Insurance Scheme 1984. The discounted subscriptions refundable under the Central Government Employees Scheme 1977 and the savings fund amounts payable under the Union Territory Employees Group Insurance Fund as on the 31st December, 1995 shall be credited into the Provident Fund Accounts of the subscribers.

4. The salient features of the new scheme applicable from 1st January 1996 are:—

(i) The scheme shall be known as the "Goa State Government Employee's Group Insurance Scheme, 1996".

(ii) All employees of the Government of Goa who are in service on the date of this notification shall be enrolled as members of the scheme. Heads of Offices shall issue letters to each individual Government Servant enrolling him/her as a member of the scheme and also keep a copy of the enrolment in the service book or send a copy to the Director of Accounts, Panaji/Joint Director of Accounts, Margao for keeping note in the service records of Gazetted Officers. It should be noted carefully that contract employees, persons on deputation from the Central Government, other State Governments, Public Sector Undertakings, autonomous organisations, casual labour, part-time and ad hoc employees are not covered by the scheme. Persons recruited to Goa Govern-

ment service after attaining the age of 50 years are also not eligible to be enrolled. If a Government servant holding a post on regular employment is employed on ad hoc basis to a post in a higher grade, he will be entitled to be enrolled under the grade to which he is employed on regular basis.

(iii) Subscriptions for the scheme shall be in units of Rs. 15 per month. A Group "D" employee will subscribe for one unit (Rs. 15) a Group "C" employee for 2 units (Rs. 30) a Group "B" employee for 4 units (Rs. 60) and a Group "A" employee for 8 units (Rs. 120). The insurance cover shall be Rs. 15,000 for Group "D", Rs. 30,000 for Group "C", Rs. 60,000 for Group "B" and Rs. 1,20,000 for Group "A".

(iv) The subscriptions shall be apportioned between a Savings Fund and an Insurance Fund based on the mortality rate of 5.56 per thousand per annum.
